

## Hi, everybody!

Thanks a lot for your work last week! I was really very pleased to read everything. Keep it up!

Write everything in your exercise book, take a photo of it and send to my email.

(Davídku, ask your friends how to take a good picture of your work, so I can read it easily. You must hold your mobile over the text and do not shake it. I believe, it will be 100% better this week!)

### Today we are going to read a story „The peacock and the Turtle“.

#### Before you read:

1. Write three more animals starting with P and T:

a) P: peacock, .....

b) T: turtle, .....

2. Read the text on page 82 in our book. Put the pictures in ex. 1b in the correct order.

3. What is happening in each picture?

- to each picture find a sentence from the text which describes it best

4. Do exercise 2.

- Do not rewrite the sentences!

- Write the answers like this: 1a, 2b... (these are not the correct answers! 😊)

6. Copy and fill in this table:

CATCH	CATCHES	CATCHING	CAUGHT	CAUGHT
	FLIES

Write down your best score. Do not cheat!

People with the best scores will have to prove it in front of the class when we all meet again.

**GOOD LUCK AND STAY AT HOME!**
